DEROCHE CEMETERY (1973) DEROCHE, BC

(Published in BC Genealogist, February 1973, Volume 2, Number 2, p 3 © BCGS)

This cemetery is located on North Deroche Road at Deroche, BC. It is one block up the gravel road from Deroche school on the opposite side of the road. There is a very large, unpainted wooden cross marking the cemetery and visible from the highway. The site is on a gentle slope and there are brambles around. There are many iron grill-work crosses but unfortunately the markers are not on them. Only a small portion of the graves do have markers. Due to a sudden rainstorm, there are at least two graves that are not listed here. They are at the sound end of the cemetery.

Recorded by Ron and Maureen Hyde.
