Essondale/Riverview Hospital (Coquitlam)

2601 Lougheed Hwy, Coquitlam, BC V3C 4J2, British Columbia, Canada (49.246544°N 122.805602°W)

Essondale/Riverview Hospital was a Canadian mental health facility located in Coquitlam, British Columbia. It operated under the governance of the BC Mental Health & Addiction Services when it closed in July 2012. In December 2015, the provincial government announced plans to replace the obsolete buildings with new mental health facilities scheduled to open in about 2019. As of 2019, several unsafe buildings have been torn down but no new construction has started.

At one time Riverview Hospital was known as Essondale Hospital, named for Dr. Henry Esson Young (1862-1939) who played an important role in establishing the original facility. Where the hospital is located has also become known as the Essondale neighbourhood.

British Columbia Archives references, when referring to deaths at this facility, has used Essondale as well as Coquitlam, New Westminster and Surrey among other places.

Introductory Remarks

This transcription has been extracted from some 50 loose pages of what is believed to have been a list of the burial records from Essondale Mental Hospital, later known as Riverview Hospital, in Coquitlam. It contains some 3,100 unique names, wherein not all names have complete details and they include many errors, in some cases it has been able to confirm these as 'typos', i.e. you can't have died before being admitted nor buried before being dead etc.. Confirmation by the BC Archives website has been able to resolve many of them. But there are still questions as to the original source came to the possession of BCGS in the 1980's.

The original document consisted of 7 columns labelled as follows:

- NAME
- NUMBER
- DATE OF ADM.
- DATE OF DEATH
- BURIAL DATE
- BLOCK #
- LOT #

NAME:

SURNAME, Forename (occasionally title usually Miss or Mrs. in parenthesis)

NUMBER:

There are 2 different series of numbers used in the document

- HA the definition of HA is not known, only 90 persons have HA numbers
 - Only 9 of these people also have a 'NUMBER' from # 16,634 on 15 Mar 1938 to # 24,270 on 17 Apr 1947 the reason is unknown
 - First HA number 10 was issued on 14 May 1936
 - Last HA number 1851 was issued on 19 Apr 1952
 -
- Main Series of numbers ranges from # 2* to # 44081
 - First number by date is # 365 on 02 Jun 1890
 - Last number by date is # 44081 on 09 Nov 1957
 - * the # 2 should read 13,292 issued on 16 Nov 1936 when 3 people were admitted on the same date, many other numbering anomalies exist, some obviously typos
 - There are 1059 entries that have neither
 - an HA number
 - or a NUMBER
 - or a DATE OF ADM.
 - They do all have only a Death date, Block & Lot numbers and may not have been residents of the hospital, but people from the neighborhood

DATE OF ADM.:

The earliest date of Admission being 02 Jun 1890 and the last 09 Nov 1957

DATE OF DEATH:

The earliest date of death recorded is 21 Oct 1920 and the latest 06 Oct 1958, which might indicate that death dates were not recorded until 1920, since burials did take place before that year.

BURIAL DATE:

The earliest date of burial recorded is 25 May 1935 and the latest 09 Oct 1958

- There are 2 dates indicated that are earlier than 25 May 1935, this could not have happened since BC Archives records that these deaths took place later than the given burial dates viz: Gordon Douglas HOLBROW who died on 16 Jan 1953 {actually 16 Jan 1954} with his burial date indicated as 25 Sep 1928.

BLOCK #:

Blocks are listed only from 1 to 19 inclusive, with additional '6-A' and '7-A'

- It is unclear as to '6-A' refers to being blocks 'Adjacent' to 6 or 'Additions' etc.
- There are 161 burials in '6-A' and 90 burials in '7-A'
- 1 burial noted each in '8-A' and '9-A' which should read '6-A' and '7-A' respectively
- Blocks 1 to 16 generally do not have given burial dates
- Blocks 17 to 19 almost complete with burial dates, beginning 31 Mar 1936 and ending on 06 Jan 1958
- There appears to be 8 records where BLOCK # and LOT# have been incorrectly switched viz: Georgina JEFFREY at BLOCK # 1367, LOT# 19

LOT #:

Blocks are listed only from 1 to 19 inclusive, with additional '6-A' and '7-A'

- It is unclear as to '6-A' refers to being blocks 'Adjacent' to 6 or 'Additions' etc.
